

#OccupationIs

Displacement

- After uprooting and dispossessing the majority of the Palestinian people in 1948, Israel displaced between 100,000 and 300,000 Palestinians in 1967.
- 20,000 Palestinians are displaced every year by Israeli practices, including home demolition, expulsion, ID revocation, annexation

Replacement

- At least 620,000 Israeli settlers reside illegally in settlements built on stolen land in the West Bank, including East Jerusalem, in violation of international law

Theft of Resources

- 100% of water aquifers in the Occupied Palestinian Territory, including East Jerusalem is illegally controlled by Israel.
- Nearly 10,000 Israeli settlers living in the Jordan valley receive almost 1/3 of the water available for all 2.5 million Palestinians residing in the occupied West Bank.
- Millions of tons of stones are illegally mined from Palestinian stone every year by Israel.

Land Grab

- At least 620,000 Israeli settlers live in 250 Israeli settlements, built illegally in the occupied West Bank, including East Jerusalem, occupying and controlling roughly 60% of the territory.
- Israel has constructed an illegal Wall mostly inside the occupied West Bank. Once complete, the Wall will de facto annex up to 46% of the territory.

Mass Incarceration

- 10,000 Palestinian civilians are tried and convicted in Israeli military courts every year.
- 52,000 Palestinians have been detained without charge or trial since 1967
- 50,000 Palestinian children have been detained since 1967

Institutionalized Racism and Dehumanization

- Israel has at least 65 separate laws that specifically target and discriminate against Palestinians.
- Israeli courts have denied ALL Palestinian appeals against the demolition of their homes.
- Palestinian civilians are tried in Israeli military so-called courts that fail all tests of due process.

Criminality and Impunity

- Israeli practices and policies that entrench the colonial occupation violate international law, including international humanitarian law and international criminal law. Yet, Israel is shielded from accountability.
- Israel describes Palestinian efforts to ensure accountability under international law as "diplomatic terrorism".
- The Trump administration has threatened the ICC with sanctions if it investigates Israeli violations.
